SONG

BY KATHLEEN DOHERTY

TEE-HEE!

(To the tune of "Sugartime")

Giggle in the morning,
Giggle in the evening,
Giggle at suppertime.
Grandma's little giggler
Is giggling all the time.

Tip » Sing the poem again using *wiggle* instead of *giggle*. Put yourself in the song: "Mommy's," "Daddy's." Try it with the words "Singing in the morning, singing in the evening . . ." Your child will love singing with you.
